If Club facilities or any part thereof are closed as a result of inclement weather, natural disasters, governmental orders or other forces beyond the reasonable control of Club and such closure interferes with the Club's performance of this Contract, Club management may at its sole discretion provide additional time to compensate for this interference but will have no obligation to do so and the Club management's failure to do so shall not entitle the Camper(s) to any compensation, refund or give rise to any cause of action against the Club.
